January/ February 2019

Message from Pres. Morgan : Some of you had a good 2018 and some of you a not so good 2018, I hope you all have a very good 2019. There was only one tournament at the Crossville court this winter. There are winter tournaments at Rutledge in my facility. It is heated with propane and a wood stove. I would be glad to see you there! Get together and carpool. You can call Harold to see who may be coming prior to the tournament date. Remember all tournaments are pre-registered by noon on Friday before tournament or even earlier. Remember the more tournaments you make the more money for payouts at each tournament and at our State Championships. Looks like gas prices are going down some before Spring. I hope to see you at Rutledge this winter. We still need Tournament Directors.

2019 Members Sanction Cards: see a tournament director, any officer or send your money directly to JoAnn Stanford (SEC/TREAS) with a Membership Application or provide your name, address, home and cell phone numbers, ICE phone number with a name, and any other changes to your previous info of 2018. An application is available on website or TD's have some. All TD's will be checking at tournaments. Cash or check for Adult fee is \$33.00, make check out to THPA. Currently we have about half of last year's members renewed. We even have a few new members and at least 2 more looking to start this spring. Unfortunately, we will also lose a few members from 2018.

2019 World Tournament at Wichita Falls, TX : JoAnn Stanford has about nine Visitor Guides if someone did not pick one up last year or if interested. Give her a call 931-243-2648 or see her at a tournament. For more information and if you have internet access, you can go to www.horseshoepitching.com and link to lots of info and an entry form.

MAY THE LUCK OF THE IRISH BE WITH YOU AND THE WARMTH OF THE IRISH BE NEAR. MAY YOUR FAMILY BE BLESSED BY THE LOVE OF ST PATRICK TODAY AND EACH DAY THROUGHOUT THE YEAR.

Bend of the River shooters set records

FROM STAFF REPORTS

The National Rifle Association (NRA) recently announced the setting of several national records for the highest scores shot in a match sanctioned by the NRA from across the country. The scores are divided by age groups, and the matches are 10 shots in each shooting position with a maximum score of 109 in each position.

Cookeville's Colton Smith set the bar high with two National Records shot at the 2018 Tennessee State IC BB Gun match held in Livingston while he was a member of the Bend of the River PSC BB gun team. The first record was the combined score of the four positions (prone, standing, sitting and kneeling) in the

Junior age group (under 20 years of age). Smith's score was 399.6. The second record was 103.9 in the prone position. Smith currently shoots for the CHS JROTC varsity shooting team.

Cookeville's Mallory Johnson set the record for Sub-Junior age group (14 and under) kneeling at 100.7. Johnson is shooting with the Bend of the River team, and she recently

shot in the Junior Olympic qualifying match in three position air rifle.

Nashville's Iain Morris set the record for Sub-Junior age group in sitting with a 101.3. Morris is practicing with the Bend of the River BB-Gun team for the Champions Division at the Daisy National BB-Gun Championship match this July.

All of these current team

members joined Gainesboro's Austin Dallas, who shot a 100-4X for the Junior age group (under 20-years-old) in sitting at the Daisy National BB-Gun Championship match in Rogers, Arkansas in 2015.
